

It is a fish

Level: Beginner **\$12**
Genre: Description

Author: Rachel Reilly
Illustrator: Alexandra Griffiths

21x 21cm, 16 pages, Glossy Paperback
100% Australian made and printed
ID#16FI

This is a delightfully illustrated simple description of a blue fish. The text focuses on naming the parts of the fish and introduces number and colour.

This book is suitable to new learners of English of any age.
All proceeds benefit the students of the Western English Language School.

Your support is greatly appreciated.

It includes a simple illustrated wordlist and a Functional Grammar text-analysis chart. This is very useful for educators as it includes: *high frequency word lists*, a *noun-group chart* and many other *key language features*.

Appropriate for:

- EALD Education
- Mainstream School: Foundation/Year 1/ Literacy Intervention
- Special Education
- Pre-School: 3yrs +
- Anyone who likes blue!
