

# It is a hen

**Level: Beginner**  
**Genre: Description**

**\$12**

**Author: Rachel Reilly**  
**Illustrator: Alexandra Griffiths**

**21x 21cm , 16 pages, Glossy Paperback**  
**100% Australian made and printed**  
**ID#16HE**

**This is a delightfully illustrated simple description of a joyful hen. The text focuses on naming the parts of the hen and introduces simple adjectives describing colour and size.**

**This book is suitable to new learners of English of any age.**  
All proceeds benefit the students of the Western English Language School.

**Your support is greatly appreciated.**

It includes a simple illustrated wordlist and a Functional Grammar text-analysis chart.  
This is very useful for educators as it includes: *high frequency word lists*,  
a *noun-group chart* and many other *key language features*.

## **Appropriate for:**

- EALD Education
- Mainstream School: Foundation/Year 1/ Literacy Intervention
- Special Education
- Pre-School: 3yrs +
- Anyone who likes joyful hens!
